"Sam is a fantastic coach. He is able to zero in on certain aspects of my game and give me tips to improve each area of my game. I also take Cardio Tennis with Sam and believe me, if I can do it, you can do it. I encourage everyone to try cardio tennis with Sam."

- Ramona Graham

"Our daughter, Ashlyn, has been working with Sam for over a year now. Over that year, she has learned how to work on her serves and forehands. Her favorite shots she has learned from Coach Sam are volleys and forehands."
