"I've had the pleasure of knowing Barb Frank as a tennis professional for over 23 years, and I can say without a doubt that she is an absolute gem in the world of tennis coaching. Whenever I meet fellow tennis players at our club, I never hesitate to recommend Barb's expertise.

What sets Barb apart is her remarkable ability to bring out the best in her students without resorting to drastic changes in their technique. She possesses a unique gift for pinpointing subtle adjustments that can make a world of difference in one's performance. Barb understands that every player is unique, and she tailors her instruction to suit the individual needs and goals of her students. This personalized approach has helped me and many others.

One of the qualities that I truly appreciate about Barb is her unwavering support and positivity. She creates an environment that is not only conducive to learning but also incredibly enjoyable. She has an exceptional ability to motivate and inspire her students, making each session not just a lesson but a memorable experience.

I have seen her influence positively impact countless players, myself included. Her dedication, expertise, and warm personality make her not only an exceptional coach but also a true friend to all those who have had the privilege of learning from her."
