## WHAT PARENTS ARE SAYING

---

---

"We had only planned on attending sports camp for one week and after our son's first week he begged us to sign him up for the rest of the summer."

- Thomas

"My son LOVED his week at sports camp. He has always had anxiety around camp, but his experience this summer at TCR helped him gain confidence in himself. The staff went above and beyond my expectations."

- Kristin

"We have tried a bunch of different camps for our kids and the sports camp at TCR is hands down the best. The value goes way beyond sports skills. Our girls came home each day eager to tell us about what they accomplished and the friendships they made."

- William
